Note: No separate letter is being issued. User training will be held at COS office's of respective railways. All railways are requested to make training arrangements like training hall, multimedia projector, broad band connection in training hall etc.

Account of SER, ER, ECR & CLW have still not been created for want of completion of essential activities by these railways. It is requested to complete the requisite activities well before commencement of training in their railways. If the activities for some railways are not completed one week before commencement of training, training is liable to be postponed.
